Parting Shots:

Great Truths:

In my many years I have come to a conclusion that one useless man is a shame, two is a law firm, and three or more is a congress -----John Adams.

If you don't read the newspaper you are uninformed, if you do read the newspaper you are misinformed -----Mark Twain.

Suppose you were an idiot. And suppose you were a member of Congress. But then I repeat myself ---- Mark Twain.

I contend that for a nation to try to tax itself into prosperity is like a man standing in a bucket and trying to lift himself up by the handle ----- Winston Churchill.

A government which robs Peter to pay Paul can always depend on the support of Paul ----- G.B. Shaw

A liberal is someone who feels a great debt to his fellow man, which debt he proposes to pay off with your money ----- G.Gordon Liddy

Giving money and power to government is like giving whiskey and car keys to teenage boys ----- P.J. O'Rourke.

Government's view of the economy could be summed up in a few short phrases: If it moves, tax it. If it keeps moving, regulate it. And if it stops moving, subsidise it.

Ronald Reagan.

If you think health care is expensive now, wait until you see what it costs when it's free ----- P.J. O'Rourke.

Just because you do not take an interest in politics doesn't mean that politics won't take an interest in you ----- Pericles (430 B.C.)

No man's life, liberty or property is safe while the legislature is in session ---- -- Mark Twain

The government is like a baby's alimentary canal, with a happy appetite at one end and no responsibility at the other ----- Ronald Reagan.

The inherent vice of capitalism is the unequal sharing of the blessings. The inherent blessing of socialism is the equal sharing of misery ----- Winston Churchill.

What this country needs are more unemployed politicians ----- Edward Langley.

What one person receives without working for, another person must work for without receiving.

We hang the petty thieves and appoint the great ones to public office ----- Aesop.

The ultimate result of shielding men from the effects of folly is to fill the world with fools ----- Herbert Spencer.

You cannot legislate the poor into prosperity by legislating the wealthy out of prosperity.

You cannot multiply wealth by dividing it.

When half of the people get the idea that they do not have to work, because the other half is going to take care of them, and when the other half gets the idea that it does no good to work because somebody else is going to get what they work for, that is the beginning of the end for any nation.

No English dictionary has been able to explain the difference between the two words COMPLETE and FINISHED, in a way that's easy to understand/ Some people say there is no difference between two. There is.

When you marry the right woman, you are "COMPLETE" and when you marry the wrong one you are "FINISHED"!

And when the right one catches you with the wrong one you are -----
"COMPLETELY FINISHED". !!!
